Whether that be gambling blocking software, self exclusion from online gambling or bank transaction blocking.

Gambling Blocking Software

This means that you will be refused service at the locations, online and offline, from which you are self-excluded.

Anyone wishing to join the Bacta Self-Exclusion Scheme should contact Bacta on selfexclusionbacta.

uk or 0207 730 6444.

uk Multi Operator Self Exclusion Scheme you can designate betting shops from which you want to self-exclude.

By identifying the betting shops someone uses or might try to use, the scheme passes on the information to all the relevant betting shop operators.

Find more information about gambling problems and support here.

Relevance screening and inclusion/exclusion criteria

with native advertising;

In addition to several variations of the dependent variables that we used as one

of the inclusion criteria, we discovered a range of additional DVs relevant to

the issue of online misinformation that the studies under review explored. The r

esulting classification is presented in Table 2 below.

Exposure to media literacy guidelines (incl. game format) 2 1 1 4
